

## The People of IPSLEI - Stories of growth and success

### Can I Count on You to Help Celebrate a Milestone?

On April 5, 2025, IPSLEI will mark **20 years** of impact. Over the past two decades, we have remained committed to **empowering individuals** with the leadership and ethics education needed to make a lasting difference in public safety.

But here's the thing... **this milestone isn't just about IPSLEI—it's about YOU.**

**Just imagine...** the stories of growth, the career breakthroughs, and the ripple effect of strong leadership shaping communities. Whether you are an **alumnus, facilitator, current participant, developer, advisor, or supporter**, your experiences are what make IPSLEI's journey truly remarkable.

**Because of that, we want to hear YOUR story.**

Would you be open to sharing how IPSLEI has influenced you? Your experiences will be featured in "**People of IPSLEI - Stories of Growth and Success**", celebrating the impact we've created together.

Please provide the following information:

- Location (state, city, county, department – as preferred, as much as you're comfortable sharing))
- Profession and Rank/Position (e.g., law enforcement, fire services, EMS, corrections)

**Your story!** Ideas to help you reflect and write your story include, but are not limited to, the following prompts:

- How did **IPSLEI** impact your personal or professional growth?
